

Truck for sale:

Fully restored Studebaker ½ ton NAPCO 4X4

Engine is a cloverleaf 289 from the factory. Fully remanufactured. New radiator, carburetor, starter, generator, clutch, 3 new drive shafts, remanufactured front axles, the differential gears have been changed to 3:31 for highway driving. 6 blade fan, new brakes, tires, front drums, power brakes, hill holder, long mirror arms, all new glass, rebuilt and recovered seats, and many other items.

If I count my labor I have invested \$60,485 in this truck. It is now stored inside but I do not know for how much longer. I am open to reasonable offers only. I can be reached at 845-224-7934 or by writing studepickups@optonline.net
